Form - Duty of Candour Annual Report

All health and social care services in the UK have Duty of Candour responsibilities. This is a legal requirement which means that when things go wrong and mistakes happen, the people affected understand what has happened, receive an apology and organisations learn how to improve for the future.

An important part of this duty is to provide an annual report about the duty of candour in our service. This short report describes how the Care Home has operated the duty of candour during the last year. We hope you find this report useful.

What year does this annual report relate to?: 2025

Who is completing the report: Rachel Ball

Job Role: Registered Manager

Provide a short narrative about your service: Barton house, is a small 11 bed, Male only ,specialist Nursing-led service for adults with , long term enduring Mental Health conditions, Complex Trauma Histories , Emotional and Behavioural Distress, co-existing physical Health conditions and neuropsychiatric and Neuropsychological needs.

Number of people affected (just add number - no details) 0

When you realised the event(s) above had happened, did you follow the correct procedure.: NO

Did you review what happened and what if anything, went wrong to try and learn for the future.: YES

When something has happened that triggers the duty of candour, do staff report this to the Home Manager who has responsibility for ensuring that the Duty of Candour procedure is followed?: YES

Does the Home Manager record the incident or accident and reports it as necessary to the CI/ CQC/CIW, the local contracting authority, the Regional Director, and the Quality Director, for the company.: YES

Do all new staff learn about the duty of candour at their induction?: YES

When an incident or accident has happened, does the Home Manager and staff set up a learning review?: YES

Please provide a short explanation of the learning from any Duty of Candours (Please do not provide any information that could identify individual residents): There was no untoward accidents or incidents in 2025 which triggered the Duty Of Candour, All deaths were expected, service users had underlying health conditions.

Duty of candour informs our learning and planning for improvements as a service, and as a company. It has helped us to remember that people who use our services have the right to know when things could be better, as well as when they go well.

Do you confirm that you have made this report available to the regulator but in the spirit of openness, have also published it to share with residents and their relatives too.: YES
